

REQUEST FOR APPLICATIONS FOR WATERSHED SMALL GRANT PROGRAM ISSUED BY CIUDAD SOIL & WATER CONSERVATION DISTRICT

I. INTRODUCTION

The Ciudad Soil & Water Conservation District (Ciudad SWCD) is seeking applications (Attachment 1) to develop and maintain sustainable urban and community programs at the local level from 501(c)(3) organizations and non-federal governmental entities, including public colleges and universities, as well as tribes and pueblos. Ciudad SWCD may award multiple contracts as a result of this Request for Applications (RFA).

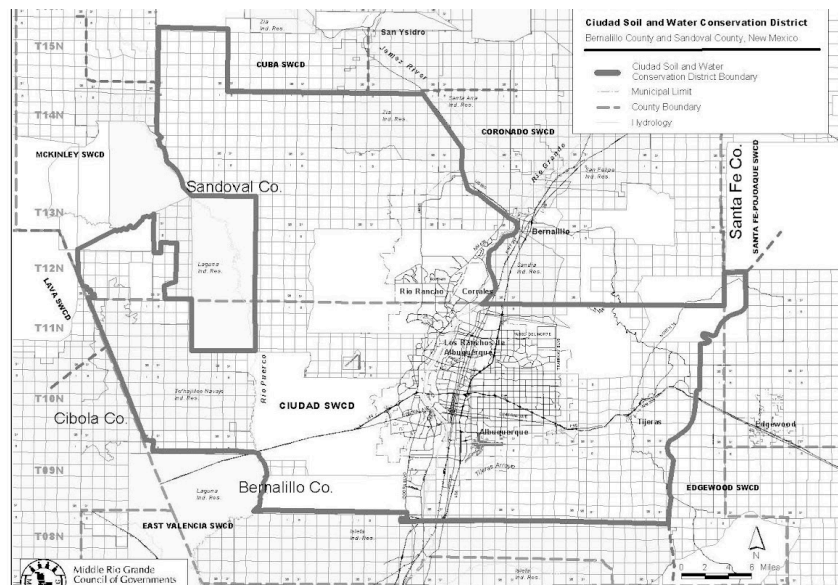

Applicants may submit applications for any amount up to a maximum of **\$35,000** by June 1st, 2026.

Any procurement which shall result from this RFA is valid from date of issue as indicated in Section IX, Contact Person and Due Dates and will terminate June 1st, 2027 or at the end of the agreement that is a result of the RFA, whichever occurs first.

II. BACKGROUND

The Watershed Small Grant Program is funded through the Ciudad Soil and Water Conservation District. Projects are limited to the District's boundaries ([see map](#)).

These funds have been made available specifically to invest in the health of the Middle Rio Grande Watershed. The Middle Rio Grande faces numerous challenges in balancing competing needs of surrounding communities, such as access to clean water, a growing population, and long-term drought. The Partnership reconnects urban communities in the Middle Rio Grande Basin with the Rio Grande by improving coordination among federal agencies and collaborating with community-led revitalization efforts. The Partnership is part of a [nationwide network of 21 partnerships](#) in communities with impaired urban waters.

III. ELIGIBLE APPLICANTS

This RFA is directed at 501(c)(3) organizations and non-federal governmental entities, including public colleges, public schools, and universities, as well as tribes and pueblos.

All Applicants must complete the Financial Capability Questionnaire (Attachment 2) and Statement of Assurances Form (Attachment 3), and submit with their application. Successful Applicants must complete the Financial Capability Questionnaire annually. All 501(c)(3) applicants must have an Internal Revenue Service 501(c)(3) designation and FEIN submitted with their application.

Applicant Responsibility and Reservation of Rights

Ciudad SWCD reserves the right, at its sole discretion, to determine the responsiveness and eligibility of any application. This includes the right to deem an application non-responsive or to reject an applicant based on information obtained through due diligence or other credible sources outside of the application materials.

Without limiting the foregoing, Ciudad SWCD may deem an application non-responsive, or terminate any agreement resulting from this Request for Applications, if it becomes aware that an applicant, or any principal associated with the applicant, is under investigation for, has been accused of, or has been charged with serious misconduct, including but not limited to violence, fraud, sexual misconduct, harassment, or other criminal or unethical behavior.

IV. STATEMENT OF WORK

The prospective contractor must disclose whether they, a family member or a representative of the prospective contractor has made a campaign contribution to an applicable public official of the state or a local public body during the two years prior to the date on which the contractor submits a proposal or, in the case of a sole source or small purchase contract, the two years prior to the date the contractor signs the contract, if the aggregate total of contributions given by the prospective contractor, a family member or a representative of the prospective contractor to the public official exceeds two hundred and fifty dollars (\$250) over the two year period.

Furthermore, the state agency or local public body may cancel a solicitation or proposed award for a proposed contract pursuant to Section 13-1-181 NMSA 1978 or a contract that is executed may be ratified or terminated pursuant to Section 13-1-182 NMSA 1978 of the Procurement Code if: 1) a prospective contractor, a family member of the prospective contractor, or a representative of the prospective contractor gives a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process or 2) a prospective contractor fails to submit a fully completed disclosure statement pursuant to the law.

The state agency or local public body that procures the services or items of tangible personal property shall indicate on the form the name or names of every applicable public official, if any, for which disclosure is required by a prospective contractor.

“Campaign Contribution” means a gift, subscription, loan, advance or deposit of money or other thing of value, including the estimated value of an in-kind contribution, that is made to or received by an applicable public official or any person authorized to raise, collect or expend contributions on that official’s behalf for the purpose of electing the official to statewide or local office. “Campaign Contribution” includes the payment of a debt incurred in an election campaign, but does not include the value of services provided without compensation or unreimbursed travel or other personal expenses of individuals who volunteer a portion or all of their time on behalf of a candidate or political committee, nor does it include the administrative or solicitation expenses of a political committee that are paid by an organization that sponsors the committee.

“Family member” means spouse, father, mother, child, father-in-law, mother-in-law, daughter-in-law or son-in-law of (a) a prospective contractor, if the prospective contractor is a natural person; or (b) an owner of a prospective contractor.

“Pendency of the procurement process” means the time period commencing with the public notice of the request for proposals and ending with the award of the contract or the cancellation of the request for proposals.

“Prospective contractor” means a person or business that is subject to the competitive sealed proposal process set forth in the Procurement Code or is not required to submit a competitive sealed proposal because that person or business qualifies for a sole source or a small purchase contract.

“Representative of a prospective contractor” means an officer or director of a corporation, a member or manager of a limited liability corporation, a partner of a partnership or a trustee of a trust of the prospective contractor.
